### METER READINGS ONLY
This sheet is provided as a convenience to you and is only a guide. It shows what the truck's odometer (ODOM) and the engine's Electronic Control Module (ECM) read. It is NOT a certification of the truck's actual mileage. It simply shows what the truck meters read. You must rely exclusively on your personal pre-auction inspection when making your purchase. We check the ECM when the ODOM reads less than 700,000 miles. **We are not responsible for errors on this sheet.**

You inspect it .... you buy it "as is."
